LORNA G. SCHOFIELD, District Judge:

WHEREAS the Court has received from Defendant the attached letters, dated August 16, 2023, requesting that his restitution payments be delayed to commence upon his release from custody or reduced to \$25 a month.

WHEREAS Defendant agreed to and signed a Consent Order of Restitution, dated July 26, 2022, which states in relevant part:

“While serving any term of imprisonment for Count One, the defendant shall make installment payments toward his restitution obligation, and may do so through the Bureau of Prisons’ (BOP) Inmate Financial Responsibility Plan (IFRP). Pursuant to BOP policy, the BOP may establish a payment plan by evaluating the defendant’s six-month deposit history and subtracting an amount determined by the BOP to be used to maintain contact with family and friends. The remaining balance may be used to determine a repayment schedule. BOP staff shall help the defendant develop a financial plan and shall monitor the inmate’s progress in meeting his restitution obligation. Any unpaid amount remaining upon release from prison will be paid in installments of not less than ten (10) percent of the defendant’s gross monthly income, payable on the first of each month.”

**ORDERED** that for the forgoing reasons, Defendant's application is DENIED.

Defendant is encouraged to speak with BOP staff to develop a financial plan suitable to his economic circumstances.

The Clerk of the Court is directed to mail a copy of this Order to Defendant at the below address.
